Re: Freedom of Information Act Request 19-060-365

Mr. Steckow,

On behalf of the Civilian Office of Police Accountability (COPA), I am responding to your Freedom of Information Act (FOIA) request, received by this office on September 16, 2019. COPA is now timely responding to your request seeking “summary digest reports and attachment sheets for all CRs naming Kevin Glover #1587.”

Below is a table summarizing the log files we found for each officer, along with their respective statuses. Each status is explained below the table.

Officer Name	Log Number	Log Status
Kevin Glover	312519, 1088177, 1075073, 1067213, 1058508, 1024464, 295315, 286191, 280466, and 270306	OPS/IAD
	1015926	Closed

**We are only able to produce a face sheet for logs with statuses listed as OPS/BIA/IAD.** The records requested are not in our possession. Records created by the Chicago Police Department’s Bureau of Internal Affairs (BIA), Office of Professional Standards (OPS) and Internal Affairs Division (IAD) are maintained by BIA. The only document to which COPA has access is a face sheet, which is produced herewith.

Please note that each City department is a separate “public body” under Section 2 of FOIA, 5 ILCS 140/2(a). To request files that are marked BIA/IAD and/or Predate IPRA, you may send a FOIA request via email to the Chicago Police Department at [foia@chicagopolice.org](mailto:foia@chicagopolice.org), or via letter to:

Chicago Police Department  
Attn: Freedom of Information Officer  
Freedom of Information Section, Unit 114  
3510 S. Michigan Ave.  
Chicago, IL 60653

COPA is producing the requested summary report for Log Number 1015926, which is marked "Closed" with appropriate redaction. Certain information is redacted in accordance with the following exemptions set forth in the Illinois FOIA:

- 5 ILCS 140/7(1)(a) Information specifically prohibited from disclosure by Federal or State law or rules and regulations adopted under Federal or State law.
- 5 ILCS 140/7(1)(b): Private information, which is defined as:  
[U]nique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, personal email addresses [. . .] home address and personal license plates.
- 5 ILCS 140/7(1)(c): "Personal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless the disclosure is consented to in writing by the individual subjects of the information."  
"Unwarranted invasion of personal privacy" means the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information.
- 5 ILCS 140/7(1)(d)(iv): Records that would "unavoidably disclose the identity of a confidential source" or the identities of "persons who file complaints with or provide information to administrative, investigative, law enforcement, or penal agencies."

To the extent that you consider this a denial of your FOIA request, you have a right of review by the Illinois Attorney General's Public Access Counselor, who can be contacted at 500 South Second Street, Springfield, Illinois 62706 or by telephone at (217) 558-0486. You may also seek judicial review of denial under 5 ILCS 140/11 of FOIA.

Sincerely,

A handwritten signature in dark ink, appearing to read "Tyra Sherese Peterson". The signature is fluid and cursive, with the first name "Tyra" being more prominent.
